Attached are papers pertain	ing to an Area and
Project Security Officers Conference to which SSA is	
invited to make a presentation of	n 31 October follow-
ing luncheon. I accepted	invitation 25X1
with the understanding that I wo	
that the new SSA and Deputy both probably would want	
to attend.	would like
for you to call him this week about transportation.	
I assume that both you and Brad will be invited for	
lunch.	
suggested about a thirty minute	
presentation on the role and functions of the SSA	
Staff including a question and answer period.
